# LESSONS LEARNT

## DIAGNOSTICS

1. The exercise requires a lot of financial resources
2. It takes time to complete one country diagnostics – report overtaken by events
3. Cooperation with country stakeholders especially govt is critical
4. Ownership the LTF diagnostics by Govt is imperative

## SCOREBOARD

1. Comprehensive, comparable, and reliable information on LTF across Africa
2. Enhancing market transparency
3. Keen interest across Africa for strengthening the availability of information on long-term funding
4. Positive involvement of the network of country coordinators
5. Establishing a dialogue platform on the LTF website

# CONCLUSION

- **The LTF agenda is comprehensive and multi-faceted**
- **Implementation requires concerted efforts of relevant authorities (national and regional) and clear leadership**
- **Raising funds to finance the LTF agenda has proved difficult,**

**THANK YOU**
